

RefriAméricas Celebrates 20th Anniversary with Exclusive Technical Tours in Miami

Miami, July 2024 - RefriAméricas, the leading event in the HVAC/R industry, is pleased to announce two exclusive technical tours as part of its 20th edition, taking place on July 24 and 25 at the Miami Airport Convention Center (MACC). These tours will provide attendees with a unique opportunity to closely explore innovations and solutions in mechanical and pumping engineering, as well as fire protection systems, in two iconic buildings in Miami.

Day 1: July 24 - Society Wynwood Located in the iconic Wynwood neighborhood, Society Wynwood is a cutting-edge condominium within the social apartment community ecosystem. During the tour, attendees will have the chance to review mechanical rooms housing plumbing equipment, water pumping systems and their electronic controls, as well as HVAC systems and their controls. Led by JC Gayoso, President of PSI Engineered Solutions, the tour will allow participants to gain firsthand knowledge of the mechanical and pumping engineering solutions implemented in one of Wynwood's newest residential buildings. The tour will include transportation from the DoubleTree @ MACC hotel, and light refreshments will be provided courtesy of the sponsor.
